Discount	Up to 5% confirmed	May not surface

What causes State Farm autopay to fail?

The most common cause is an expired or replaced card. When your bank issues a new card with a different number, the stored number becomes invalid. The next scheduled draft attempts the old number, fails silently, and no immediate notification is sent. You discover the failure 10–30 days later when a past-due notice arrives. Call 1-805-638-1838 to update your card in 60 seconds before the next draft date.
